Evaluation

A three-hour multiple-choice exam concludes the course.

Evaluation code(s)

BØK 94321 Financial Strategy - multiple choice exam, counts 100% of a grade in the course BØK 9432, 2 credits.

Aids at the examination

Programmable calculator and interest rate tables are allowed.

Makeup exam

A re-sit is normally held at the end of the next course.

For students at the Bachelor of Business Administration Program in finance, the class will be together with exchange students and therefore taught in English. The compulsory literature which is written in Norwegian can therefore be replaced by:

Ross, Stephen A., Randolph W. Westerfield and Bradford D. Jordan. 1998. *Fundamentals of corporate finance*. 4th ed. Boston, Mass.: Irwin.

+

Articles to supplement the textbook on international financial management.

The exam will be the same as the ordinary multiple choice exam, BØK 94321 Financial Strategy - multiple choice exam, which counts 100% of a grade in the course BØK 9432, 2 credits. However, the exam questions will be written in English.
