Odd Gisholt

Department

School of Trade and Retail Management

Term

According to study plan

ECTS Credits

12

Objective

Through the specialisation course Internationalisation the students shall develop an understanding for international business with a special focus on the international trade area. Based on theory, trends and experience-based material, the students shall be able to evaluate their own and others' behaviour in a cross-cultural business context. The students shall apply English in specific communication situations and acquire tools to analyse them.

The course is open for exchange students from other business schools.

Prerequisites

2 years of business administration studies from the Norwegian School of Management BI or equivalent.

Compulsory literature

Keegen, Warren J. 2002 . *Global marketing management* . Upper Saddle River: Prentice- Hall.
