Course outline

1. The legal system and the sources of law
2. Contractual liability law
3. Employments rights and labour law
4. Company Law, partnership law
5. Economic liability law
6. Mortgage law
7. Penal law related to economic crimes.

Computer-based tools

Computer-based tools are used for communication and distribution of texts etc.

Course structure

The course is placed in the third year and based on a total of 36 hours of lectures. Students are required to purchase and bring with them the required study aids to the lectures and to acquaint themselves with these through the study of various topics. In particular, knowledge relating to legal rules dealt with in the textbooks or discussed in lectures is required. Teaching through lectures requires that students prepare for these in advance. The lectures will focus on themes that are known to cause problems. Parts of the syllabus will have to be studied

independently.

Evaluation

A three-hour individual written examination concludes the course.

Evaluation code(s)

JUR 27001 - Written exam, which accounts for 100% of the grade in JUR 2700 Business Law, 6 credits

Aids at the examination

All written aids are permitted.

Makeup exam

A makeup exam is held at the same time as the regular exam of the course the next year.
