Introduction

The shift to international accounting standards (IFRS) for Norwegian publicly listed companies from 2005 entails considerable consequences for private limited companies as well. This means a partly new accounting regime for Norwegian industry, and both producers and users of accounts need to acquire knowledge about IFRS.

Learning outcome

To give insights into the Conceptual Framework of IFRS and some the standards. A special focus is placed on Financial Instruments (IAS 39) and Business Combinations (IFRS 3 and IAS 27) The course also gives insight into the implementation of IFRS in Norway.

Additional information

Honor Code

Academic honesty and trust are important to all of us as individuals, and represent values that are encouraged and promoted by the honor code system. This is a most significant university tradition. Students are responsible for familiarizing themselves with the ideals of the honor code system, to which the faculty are also deeply committed.

Any violation of the honor code will be dealt with in accordance with BI's procedures for cheating. These issues are a serious matter to everyone associated with the programs at BI and are at the heart of the honor code and academic integrity. If you have any questions about your responsibilities under the honor code, please ask.
