Computer-based tools will not be used in this course

Course structure

The course consists of 36 teaching hours. A case assignment will be handed out in middle of the term. Case-assignment can be solved in groups of 1-3 students, and must be handed in after two weeks. Counts 60% of the final grade. A Two-hour individual multiple choice exam concludes the course and counts 40%.

Examination

A case and a two hour individual multiple choice exam concludes the course. Both mid-term case and written exam must be passed in order to obtain final grade in the course.

Examination code(s)

EXC 24053 Case that accounts for 60% of the total grade in the course EXC 2405 Logistics, 6 credits.

EXC 24054 Multiple Choice exam accounts for 40% of the total grade in the course EXC 2405 Logistics, 6 credits.

Examination support materials

A BI-approved exam calculator is allowed at the multiple choice exam.

Exam aids at written examinations are explained under exam information in our web-based Student handbook. Please note use of calculator and dictionary.
