Course structure

The course is based on a total of 36 hours of lectures and 6 hours for exercises. Students are required to purchase and bring with them the required study aids to the lectures and to acquaint themselves with these through the study of various topics. In particular, knowledge relating to legal rules dealt with in the textbooks or discussed in lectures is required. Teaching through lectures requires that students prepare for these in advance. The lectures will focus on themes that are known to cause problems. Parts of the syllabus will have to be studied independently.

Examination

A three-hour individual written examination concludes the course.

Examination code(s)
