Course structure

Course structure for full-time students

The course is based on 36 hours of teaching. Not all parts of the syllabus will be lectured on. It is important that the students do a lot on their own, especially with exercises.

E-learning

The e-learning platform It's learning is used by the e-learning centre to administrate the mandatory

exercises, and make students able to communicate with each other and the Lecturer. Module sessions are carried out at the beginning of the semester and before exams. The e-learning students are also offered a study guide which is an educational guide to the syllabus.

Examination

A five-hour individual written examination concludes the course.

Examination code(s)

BØK 98101 - written examination, which counts 100% towards the grade in BØK 9810 Financial Accounting, 6 ECTS credits.

Examination support materials

All support materials are allowed plus the calculator TEXAS INSTRUMENTS BA II Plus™. Examination support materials at written examinations are specified under exam information in our web-based Student Handbook. Please note the use of calculator and dictionary.
