Computer-based tools

Computer-based tools are not used in this course.

Learning process and workload

course is carried out though two semesters:

1. EMS 3643 Real Estate Law III, 1. semester - autumn
2. EMS 3644 Real Estate Law III, 2. semester - spring

The

the teaching programme the students are divided into small discussion groups and will work on assignments associated with each topic. The assignments will be discussed and reviewed in class after the discussion group work. The lecture form of teaching requires that the students before each lecture have studied the syllabus and the rules of law for the topic in question. The students are required to bring the code of laws and other study aids to the lectures and become familiar with them while studying the various topics. Parts of the syllabus must be studied through self-tuition.

As part of

rk requirements

mandatory hand-in assignment is set in the course, and will be graded by the lecturer or another qualified person.

Coursewo

One

nded workload in hours

Recomme

Activity	Use of hours
Participation in lectures	69
Discussion group work supervised by the lecture	16
