Artikler gjøres tilgjengelige som pdf-filer på It's learning.

### **Recommended reading**

### **Course outline**

### **Computer-based tools**

itslearning

### **Learning process and workload**

### **Coursework requirements**

None

### **Examination**

The students are evaluated through a term paper, counting 18 ECTS credits and an Continuous assessment,

counting ECTS 12 credits. The Term paper is written individually. The continuous assessment (several exam elements) may be written in groups of maximum three to five persons. Both evaluations must be passed to obtain a certificate for the programme

For students taking this programme as the final Master of Management Programme the following applies: The students are evaluated through a term paper, counting 24 ECTS credits and an Continuous assessment, counting ECTS 6 credits. The Term paper xxx The an Continuous assessment may be written in groups of maximum three to five persons Both evaluations must be passed to obtain a certificate for the programme.

#### **Examination code(s)**

MAN 31411 - Term paper; accounts for 100 % of the grade to pass the programme MAN 3141, 18 credits  
MAN 31421 - Continuous assessment; accounts for 100 % of the grade to pass the programme MAN 3142, 12 credits

Continuous assessment (with one final exam code) consists of three elements where each element is weighted equal.

Written assignments 1 to be handed in after 1st course module

Written assignments 2 to be handed in after 2st course module

Written assignments 3 to be handed in after 3st course module

Each exam element will be graded using points on a scale (e.g. 0-100).  
Both evaluations must be passed to obtain a certificate for the programme.

For students taking this programme as the final Master of Management Programme the following applies:  
MAN 31431 - Term paper; accounts for 100 % of the grade to pass the programme MAN 3143, 24 credits  
MAN 31441 - Continuous assessment (several exam elements); accounts for 100 % of the grade to pass the programme MAN 3144, 6 credits.

Continuous assessment (with one final exam code) consists of three elements where each element is weighted equal.

Written assignments 1 to be handed in after 1st course module

Written assignments 2 to be handed in after 2st course module

Written assignments 3 to be handed in after 3st course module

Each exam element will be graded using points on a scale (e.g. 0-100).  
Both evaluations must be passed to obtain a certificate for the programme.

#### **Examination support materials**

#### **Re-sit examination**

It is only possible to re-sit an examination at the next ordinary examination. When a programme is discontinued, the re-sit examination will take place in a replacement programme.

The assessment is mainly based on more than one examination code. Where this is the case, you may re-sit only the assessed components of one of these examination codes. Where this is not the case, all of the assessed components of the course must be retaken. All re-sit examinations will incur an additional fee.

#### **Additional information**
