Course outline

- Fundamental linguistic structures
- Introduction to German commercial communication
- German society
- Political structures

Computer-based tools

Internet and E-mail. Power-Point or equivalent at presentations.

Course structure

The course is conducted over two terms.

48 hours teaching in the autumn (SPÅ 0071)

52 in the springtime (SPÅ 0072).

It is essential that students attend the weekly sessions and participate actively in discussions. This requires active homework.

The first part of the course will be an intensive introduction to the main structures of the German language. The second part will reinforce oral activity, based on daily life and economic texts

Examination

Students will have a five hour individual written exam by the end of the spring term. The grading is "pass" or "fail".

Examination code(s)

None.

Examination support materials

Norwegian-German, German-Norwegian Dictionary

Re-sit examination**Additional information**
